NOTES

1. The Stewardship Committee invites and encourages all members of the Princeton Seminary community to join in the worship of God through Christ in a series of Chapel services this week. These will deal with the general theme of stewardship as a way of Christian life. They will include Dr. McCord's leadership on Monday and Dr. Felmeth as celebrant of the Lord's Supper on Wednesday and will come to a fitting conclusion Friday with the dedicatio of all pledges received by that time. For more information call Albert Butzer, 921-0151.

2. First rehearsal! All brass players in the Princeton Seminary community are welcome. If you are interested in playing and cannot come to this rehearsal, please contact John Carroll (452-8958). J. Carroll.

3. The forum is for those who still seek a more satisfactory personal definition, or at least a more coherent understanding of the term Word of God, especially as it applies to the authority of Scripture for the Christian life style. Those who hold an absolute conviction about the authority of Scripture and its place in their lives will probably not benefit from this discussion. Feel free to bring your lunch. Vic Wilson.

4. Dr. Jones, a graduate of West Virginia State College, earned his graduate degrees at the University of Chicago, Oberlin Graduate School and Yale University and holds honorary degrees from West Virginia and Jewish Theological Seminary. Ordained a minister in the United Church of Christ, he had served on the faculties of Fisk University and Union Theological Seminary (New York) before assuming his present responsibilities.

5. This is an opportunity for all students who seek to know their Christian or Jewish brothers and sisters better to meet in an informal atmosphere. At this first meeting two short talks will be delivered, "A Christian Looks at Judaism" and "A Jew Looks at Christianity." J.K. Norrie, Jr.

[Continued, page 3.]

6. DUNAMIS, now in its second year, provides opportunity to break from our studies and help put everything into perspective, as we focus on God and our relationship with Him. Join with us for an hour of fellowship, song, a short word from one of the students, and prayer. "We all need each other." G. Miller

CHAPLAIN S. DAVID CHAMBERS will be on campus on Tuesday, 14 November, 9 A.M. - 8 P.M. to interview any students who wish to discuss chaplaincy in the Army, Navy or Air Force or who are interested in Seminary Programs for these three branches of service. UPUSA GA: The United Presbyterian General Assembly will meet in Kansas City, Tuesday, 22 May Wednesday, 30 May 1979. The closing date presents a problem for Princeton Seminary personnel, since our Commencement will occur on 30 May at 10:30 A.M. However, the Associate Stated Clerk has assured us that arrangements will be made for graduating Semi delegates or assistants to be excused to take a night flight on Tuesday. This does mean that our full delegation should inlcude more middlers than seniors this year, so that we still be well represented at the last crucial sessions, when many important decisions are made. Princeton Seminary will probably be invited to send nine SEMINARY DELEGATES, who will be elected by the student body early in the second semester. They must be active men of United Presbyterian Churches and will have the right to speak, but not to vote. Their transporation, room and meal costs will be paid by the General Assembly. Those who are i terested may register their names to go on the ballot at 118 Hodge Hall NOW. We will al have three SEMINARY ASSISTANTS, who will work on the floor half the time and behind the scenes half the time. Their expenses are also covered by the General Assembly. They must be present by 11 A.M. on Tuesday, 22 May, and work rather long hours. Those interested should register their names at once at 118 Hodge Hall.

These appointments must be made by 28 November 1978. A. M. Adams.

The entire Seminary community benefits from your generous donation. Clarence E. Reed, Co-Chairman, Blood Program.
